

ST. JOSEPH COUNTY BAR ASSOCIATION
SURVEY EVALUATING SUPERIOR COURT JUDGES SERVING
ST. JOSEPH COUNTY

RESULTS OF THE 2012 SURVEY

**ST. JOSEPH COUNTY BAR ASSOCIATION SURVEY EVALUATING
SUPERIOR COURT JUDGES SERVING ST. JOSEPH COUNTY**

RESULTS OF THE 2012 SURVEY

Background

In 2007, the St. Joseph County Bar Association Board of Governors (“SJCBA”) voted to implement a formal program for the evaluation of judicial performance by its members (the “Bar”). Judicial evaluation programs were recommended by the American Bar Association in its “Guidelines for the Evaluation of Judicial Performance” in 2005. The SJCBA created its evaluation process to accomplish two goals: (1) to supply reliable and unbiased information to the public about judicial performance needed to make sound judgments regarding the continuation of judges in office; and (2) to give the judges feedback to improve their own performance and that of the courts on which they serve. The SJCBA completed and published its first survey in 2008.

Judges in St. Joseph County are installed in office two ways. The judges of the St. Joseph Circuit Court and the St. Joseph Probate Court are elected by popular vote and participate in contested elections. The judges of the St. Joseph Superior Court are appointed by the Governor of Indiana and participate in retention elections. All applicants for an opening on the Superior Court are interviewed by a seven member Judicial Nominating Committee, consisting of three lawyers, three non-lawyers and one judge from the Indiana Supreme Court or Indiana Court of Appeals. The Nominating Committee nominates five of the applicants for consideration by the Governor of Indiana. The Governor considers the recommendations and appoints the judge. Each Superior Court judge stands for a “yes” or “no” retention election two years after the initial appointment, and then every six years.

The SJCBA Board of Governors decided to apply its evaluation program to the Superior Court judges, but not to the judges who may be subject to a contested election. A contested election provides opportunities for a judge or the judge’s opponent to discuss judicial performance. The same opportunities might not exist for a judge subject to a retention vote. An evaluation by the Bar of a judge’s judicial performance, when it is not possible to evaluate an opponent running for election against the judge under the same criteria, would not further the two goals of the SJCBA evaluation program.

Methodology

The SJCBA sent a survey by e-mail on July 13, 2012, to its members. The SJCBA also informed its members of the survey by announcements in its monthly newsletter. Members were informed that the survey had to be returned by August 15, 2012.

A separate survey was sent for each judge. The judges evaluated during the 2012 survey were:

Hon. Roland Chamblee, Jr.
Hon. David Chapleau
Hon. J. Jerome Frese

Hon. Jenny Pitts Manier
Hon. John Marnocha
Hon. Jane Woodward Miller
Hon. Margot F. Reagan
Hon. Michael Scopelitis

Survey

The survey instrument covered four categories: Legal Ability; Integrity and Impartiality; Professionalism and Temperament; and Administrative Capability. Each category listed five specific criteria. Respondents were asked to evaluate the judge's performance in each criteria as "exceptional," "above average," "average/acceptable," "below average," "unacceptable," or "cannot rate." Each rating, except "cannot rate," carried a numerical score to calculate an average: exceptional (5); above average (4); average/acceptable (3); below average (2); and unacceptable (1). Respondents were advised to rate only those categories that their personal experience with the specific judge qualified them to have an opinion.

Response Rate

The practices of the lawyers in the SJCBA are diverse, so the number of lawyers who actually appear in court is much smaller than the number of lawyers in the SJCBA. Consequently, only a small percentage of the lawyers who received the survey could be expected to respond. Further, the St. Joseph County Superior Court judges are assigned to either a civil docket or a criminal docket. Many lawyers who represent clients in civil cases do not often represent clients in criminal cases, and many lawyers appearing in criminal court, including prosecutors and public defenders, do not often represent clients in civil cases. Consequently many attorneys with the personal experience needed to respond to the survey may have been qualified to evaluate only some of the judges listed, or only some of the criteria.

The total number of surveys returned for each judge follow:

Hon. Roland Chamblee, Jr.	58
Hon. David Chapleau	81
Hon. J. Jerome Frese	57
Hon. Jenny Pitts Manier	83
Hon. John Marnocha	58
Hon. Jane Woodward Miller	61
Hon. Margot F. Reagan	74
Hon. Michael Scopelitis	90

Results

The responses from the individual surveys were collected and summary results were compiled. Two tables were created for each judge.

Table 1 contains the number of surveys returned for that judge. It identifies the number of Bar members that chose each rating category for each criteria. It also includes an “average score.” The average for each criteria was calculated by multiplying the number of responses for the rating by its numerical value, adding the products for those values and dividing the sum by the number of responses (not including the “cannot rate” responses).

Table 2 contains the percentage of responses for each rating for each criteria (including “cannot rate”).

The tables with survey results follow in alphabetical order. The results can also be viewed on the SJCBA website at www.sjcba.org. Survey results from 2008 through 2011 are also located at www.sjcba.org under the judiciary tab.

Respectfully submitted,

Joseph R. Fullenkamp
Chair, St. Joseph County Bar Association
Judicial Evaluation Committee
