MESSAGE FROM THE PRESIDENT

Cheryl Greene

The 2013 Golf Outing at Notre Dame's Warren Golf Course is officially over, the trophies resting on shelves, and thanks to Amy McGuire and Katie Beauchamp, it was a fantastic event. The weather was perfect, the setting delightful, there were lots of prizes for golfers and non-golfers, and the food received high marks from all of those who attended. As for the rest of you – WHERE WERE YOU?

I realized long ago that you don't have to play golf to enjoy this particular event. And, as someone who is just learning how to play golf and watched some of the teams this year, I found out that you don't even have to play golf well to enjoy this particular event!!! Eric Tamashasky's shorts and coordinating hat were worth the price of admission alone. So, if the idea of "golf" was the limiting factor in your decision to not attend this year, think again.

On the other hand, if you didn't attend the golf outing because you "don't have the time" – PUL-LEEZE! ALL of us are busy. Stopping by on your way home to join everyone for drinks or dinner isn't unreasonable or overly burdensome for most of us. At this year's outing, some of the smaller firms were represented by every single attorney from the firm -- prompting some of us to wonder, "Who's minding the store!?" However, other firms – and you know who you are – didn't have a single attorney in attendance to play golf or simply join in the social hour that starts after business hours. Shame on you!

Being a member of the St. Joseph County Bar Association gives you ready access to discounted CLE's, this Newsletter, and an introduction to other members of the Association. As a bonus, you are welcome at events where you can get together with lawyers from many different practice areas in a relaxed social setting, catch up with friends, talk about the pressing issues of the day, and interact with attorneys and judges whom you might one day meet in court. For new attorneys, these events give you an opportunity to network; for "seasoned" attorneys, these events give you the opportunity to find out how your new cell phone works and how to Tweet! But you've got to attend and participate in Bar functions in order to enjoy all of these benefits.

The St. Joseph County Bar Association strives to provide a wide variety of events in order to appeal to the diverse interests of its membership. But if you have an idea for an event we've overlooked, contact me or one of the other members of the Board of Governors. We are always looking for fresh ideas, and better ways to serve our members. Oh, and have I mentioned that we are always looking for volunteers, too?

Hope to see you at the next event!

Another Successful Golf Outing!
