President's Corner

By Cheryl R. Greene, President

In April, I had the pleasure of attending our first Judicial CLE Series for New Lawyers sponsored by our New Lawyers Committee under the direction of its Chair, **Mike Misch**. (Thanks, Mike!) This event is strictly for new lawyers with less than 10 years of practice, and it provides a wonderful opportunity for our newer members of the bar to meet with each other and to hear from our local judges. In turn, it provides an opportunity for each of our judges to share their experiences from the bench, provide advice for new attorneys, and to share some of their personal quirks and pet peeves in an informal setting.

We had a great turnout, and I was especially pleased that one of the people who first hired me as a new lawyer in the City Attorney's office, **Judge Jenny Pitts Manier**, volunteered to be our first speaker in the series. (Thanks, Judge!) In addition to gently admonishing the new lawyers to remember the "no hyphen rule" when spelling her last name, and to always treat court staff with respect, she delivered a very poignant message as to the importance of not only how we attend to our practice as lawyers, but the importance of who we are as persons in our daily life. Her tale of two lawyers included a recollection of another of our former colleagues from the City Attorney's Office, **Jeff Jankowski**. Jeff was probably better known for doing celebratory cartwheels when he coached his daughter's team won the World Series and trick-or-treating for Jell-O shots than he was for his legal scholarship. However, when Jeff died, the lines of people coming to pay their respects snaked through the church and circled around the block because of who Jeff was as a person and how many lives he touched in such a positive way during his all too short lifetime. Good things for all of us to remember whether we are new or we are seasoned lawyers.

Please don't forget to mark your calendar for the **SJCBA Annual Meeting on Friday, May 30th at 11:00 a.m.** I hope to see you there.

St. Joseph County Bar Foundation

Submitted By Timothy Abeska

At its Quarterly Meeting on March 12, 2014, the Board of Directors of the St. Joseph County Bar Association unanimously approved an application for grant funding received from Mark J. Torma, Executive Director of the Volunteer Lawyer Network ("VLN"). The application proposed (a) \$4,000 to support rent for office space, for which the VLN pays \$10,395 per year, (b) \$1,200 to support phone and internet service expenses, which total approximately \$3,000 per year, (c) \$500 to support Ask-A-Lawyer events in St. Joseph County, and (d) \$300 to support some of the email marketing and contact management expenses incurred by the VLN. The Board voted to fund all four VLN proposals in the total amount of \$6,000, consistent with the Foundation's mission of promoting pro bono services.

Support from attorneys makes these contributions possible. Please consider making a tax deductible donation to the Foundation. *Checks should be made payable to the Foundation and sent to Tim Abeska at 700 1st Source Bank Center, 100 North Michigan Street, South Bend, IN 46601.* Thank you for your support!

The Clerk's Corner
By Terri Rethlake

Happy Spring! We are one (1) month into our new computer system. I thank you for your patience with us as we navigate our way. If there are changes in a case, please let the clerks know and they will update the case. In order for the system to work properly, lines of communication must be open between the attorneys and clerks.

Reminder:
Since it will take us longer to put a new case in, Small Claims clerks ask the attorneys who bring in pre-dated filings 45 days before the court date they receive. If they are brought in at the last minute, there may not be enough time to have the claims served.

We are still setting up financials both in Upper Court & Small Claims cases for the garnishment checks we receive. We are doing the best we can to catch up.

On that note, any attorney or law firm that receives funds from this office **MUST** have a W-9 on file to receive checks. If that information is not in the Odyssey system, check(s) will not cut. Please send or bring in the W-9 to the basement Clerk's Office!
